DISASTROUS NEGRO RAID

20 of the Negroes Shot at a
Sawmill and More
Trouble Feared.

WHITE MEN LEAD IT.

McNAIL, Ark.—A correspondent just
returned from the lower part of the
state says about twenty negroes
were recently shot in a raid made on a
saw mill, by white men. Race trouble
at the mills has not subsided and fur-
ther outbreaks are expected at almost
any time."We had an epidemic of dysentery in
this vicinity last summer," says Samuel
S. Pollock, of Bricefield, Cal. "I was
taken with it and suffered severely until
some one called my attention to Char-
berlain's Colic, Cholera and Diarrhoea
Remedy. I procured a bottle and took
better after the first dose. Before one-
half of the bottle had been used I was
well. I recommended it to my friends
and their experience was the same. We
all unite in saying it is the best." For
sale by Druggists.

The Tyranny of the Desk.

We will suppose that your occupation
is sedentary—that your are chained, so to
speak to the desk in some conning house
or perhaps to the loom in some vast mill
where you are compelled to labor from
morning to night. Sunday is your only
day of relaxation. You return home
every evening wearied mentally and
bodily. Your health and strength begin
to fail. What will most effectually re-
cuperate your vital energy. The weight
of evidence points to no other conclusion
than that Hostetter's Stomach Bitters is
your savior, most reliable sheet anchor.
Use it persistently, and your system will
soon regain its pristine vigor. Every
function will receive a healthful impulse.
There is no remedy to equal the Bitters
for nervousness and want of sleep,
dyspepsia, constipation and biliousness.
It averts and remedies all forms of mal-
arial disease, and is a preventive of

SUNSET LIMITED.

The Sunset Limited train which passes
Benson twice a week going east or
west is by far the finest and most mag-
nificent transcontinental passenger
train in existence. It is incomparable,
unexcelled and unequalled. No ex-
pense has been spared to make it per-
fect in every respect, and all that
human skill or science could invent
and apply to make it absolutely fault-
less has been applied. Luxury and
beauty have been combined with
strength and safety, and, moreover, like
it spans the continent, annihilating
time and space in its marvelous flight.
All who have had the pleasure of a
trip on this train unhesitatingly pro-
nounce it the very finest in the land.
A ticket on this costs no more than
on the regular train.For further particulars and any in-
